

# BWF 20:20 CHALLENGE

- The BWF 20:20 Challenge is designed to be a flexible personal challenge in which walkers can select their own type & level of challenge.
- The Challenge consists of two sections involving up to 20 different walks in each section:
  - Section A - Club Series Walks & Main Events
  - Section B - Permanent Trails (including National Trails, Long Distance Walks & Medium Distance Walks)
- In each section, there will be a bronze, silver & gold award level:
  - Bronze = 5 Walks
  - Silver = 10 Walks
  - Gold = 20 Walks
- Walkers can select their own challenge by electing to attempt:
  - (a) only Section A
  - (b) only Section B
  - (c) both Section A & Section B.
- There is no restriction on the number of walks which can be done with any single club. If a walker wants to make the challenge more difficult, they can opt to walk with several different clubs instead of just one or two clubs.
- If an NT, LDW or MDW is to be included, the walk must be started & finished during 2020. These walks will receive the official number of event stamps for that trail in Section B of the challenge record card (e.g. Llangollen Canal Walk = 4 event stamps and therefore will receive 4 stamps in the challenge record card under Section B).
- Each walk during 2020 may only be counted ONCE towards the challenge.
- Walks must be completed during 2020 and a stamp collected on your challenge record card or challenge insert card.
- Each participant will receive a certificate of participation and a cloth badge.

To enter the challenge, complete and return the attached registration form together with the £5.00 entry fee to the address shown on the form.

Challenge record cards must be submitted to the BWF for validation by 31<sup>st</sup> January 2021. No submitted challenge record cards will be processed until January 2021.
