ROUTE DESCRIPTION

Note: Walkers may need to use local diversions when major events are taking place or other security restrictions. The route description has been written to allow walkers to identify where they are and use a smartphone/map App or the many street map signs to find their way, should a diversion be necessary. Walkers are recommended to plan to avoid major events like The Lord Mayors Show as access will be very limited in parts of this route. Walkers are suggested to allow plenty of time as the route passes many significant buildings and places of interest and you may wish to detour/visit. The route can be walked in stages if desired.
